FOOTBALL FIXTURES

Boys and Girls tournament – Acomb @ York High

Played in torrential rain, the boys were stoic in the face of high winds and the slippery surface. Some fantastic wins followed, and the boys finished in 4th place.

Despite having had little training together, the girls team showed fantastic determination and spirit on a cold evening at York High. Playing out several goal-less draws, Acomb scored a fantastic team goal in the final game.

CADE Trophy qualifying round – Acomb @ Westfield

With recent success in the competition, Acomb were excited to have the opportunity to qualify for the finals at Clifton Green Primary. Drawn against Carr, Woodthorpe, Westfield and Poppleton Road, there was some excellent play and teamwork on display. The competition ended with Acomb in 4th, failing to qualify for the finals.

League match – Lord Deramore's @ Acomb

A repeat of a fixture from last year, Acomb were once again drawn against Lord Deramore's in the citywide league tournament. Played at home, both teams showed some moments of class and the first half in particular was filled with high-tempo passing and energy. The visitors proved too much and the game finished 7-0 to the visitors.

Primary Cup First Round – Knavesmire @ Acomb

Drawn together in the first round for the first time, Acomb faced a tough match against the recent winners. Although it was a game that saw some moments of quality from the home team, Acomb were knocked out of the Primary Cup in the first round. The game finished 11-0 to the visitors.
